Outstanding full-time KS3 & 4 Teacher of Science for Wickham Court Senior School

We are looking for a wonderful teacher to join Wickham Court School in West Wickham.

You will be simply brilliant inside and outside the classroom and have exceptional commitment, drive and passion for the education of secondary school, KS3 & 4 students.

About Us:

Wickham Court School is a family-based, co-educational senior and preparatory school with an outstanding reputation, which places the careful, nurturing and rounded education of the students in our care at its core. We encourage impressive results from happy students for a fee, which we strive to keep accessible to many. We will always remain true to this philosophy whilst striving to improve what we deliver.

Constantly looking for ways to improve the teaching and learning environment for the school, Wickham Court forms part of the Alpha Schools Group, which includes thirteen other schools surrounding London and in the North of the country. All of our schools have an outstanding reputation.

What We're Looking For:

You will be an experienced KS3 & 4 teacher who is outstanding in the classroom, understanding that these are the crucial years towards the GCSE and A level examinations. Our classes are small with an emphasis on individual attention, we aim for our students to leave us as confident, happy, articulate and enthusiastic individuals.

Whether you are an NQT or seasoned practitioner, the key quality we are searching for is the 'wow factor' in the classroom – can you grab the attention of the whole class and keep it whilst delivering outstanding teaching to each student? Are you prepared to think carefully about how to enhance your lessons, your classroom and your pastoral care? Do you have the passion to 'roll-up your sleeves' and 'get stuck-in' in every aspect of our small school? If you do, we'd like to talk to you.

Candidate: Truly exceptional KS3 & 4 teacher
Ambition and vision for developing our school.
Able to motivate and develop a class of learners.
Outstanding communication skills.
Solid understanding of schools and commitment outside the classroom.
Entrepreneurial and autonomous approach.
Experienced & outstanding teacher.

Our school: Co-educational
Non-selective
Single Form entry (maximum 15 pupils per class)
Excellent results
